Nearing Completion! This 2,600SF home is located in a nice new subdivision just a short distance to downtown Kennebunk and all its wonderful amenities. Enjoy a sunny day on the front farmers porch or blissfully relax in your luxurious 1st floor master suite which features a walk-in closet, large double vanity bath and custom tile shower. This home will boast features such as hardwood and tile flooring, kitchen with granite, 9 foot ceilings and a finished bonus room over the 2 car garage. An open concept kitchen, dining and living area is an entertainers dream come true. There is an abundance of storage space in this home. Enjoy a large deck overlooking your private back yard. This is a must see, move in this Fall!
